

Preface

This Research Report is a product of the Research Grant of the President of Hiroshima University for the purpose of conducting the “Joint-Research with UNITAR on the Use of the History of Reconstruction of Hiroshima for the Training Seminars for Contemporary Post-conflict Countries” through the joint effort of the Institute for Peace Science of Hiroshima University (IPSHU) and the United Nations Institute for Training and Research, Hiroshima Office for Asia-Pacific (UNITAR HOAP). The research was conducted by Hideaki Shinoda, Associate Professor of IPSHU, as the representative researcher. The research team of IPSHU and UNITAR HOAP repeatedly held joint meetings to discuss how to develop this research. Ms. Fuji Okawa, researcher of NPO Peacebuilders (PB), contributed to the research as a core member. Dr. Hideki Fuchinoue, researcher of the Graduate School of International Development and Cooperation, also contribute to this research project. The publication of this Report was made possible as a result of cooperation of these contributors.
